Provider Network Program

If you're hurt in an accident that's covered by your Progressive policy, you may have access to a network of medical providers in your area who can treat you. These providers may offer reduced rates through the network that could allow you to get more treatment if necessary.

Visit progressive.com/providernetworks anytime to find out what provider networks are available in your area. The claim representative handling your medical claim will also be able to provide this information if you're in an accident.

You are under no obligation to use any network referenced above. You're free to see a medical service provider of your choice. Using a provider within the network doesn't necessarily mean that we'll cover the cost of their services. If you're in an accident, always check with the claim representative handling your medical claim to confirm what's covered.
